

Did you know that Arizona  
allows you to "stack" state tax credits?

In addition to the credit for supporting The Haven, you  
may also claim a credit for supporting Scholarships at the  
International School of Tucson:

The International School of Tucson (IST) offers an  
internationally-based curriculum to children aged 3 - 11.

The limits for claiming a credit are  
\$200 individual/\$400 couple to support The Haven,  
and an additional \$500 individual/\$1000 couple to  
support IST Scholarships.
